Proudly Presents

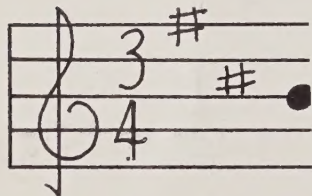

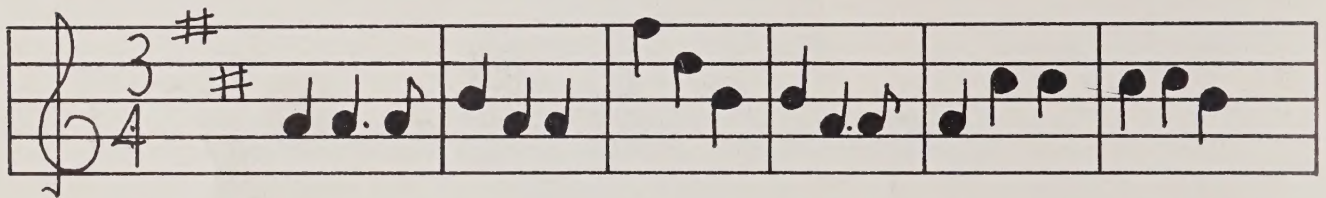

the 61 issue

of the

Blue Flame

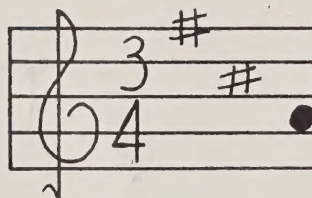

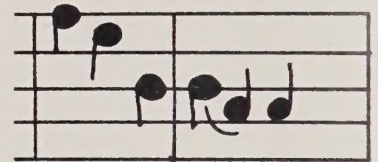

Central, We Love Thee

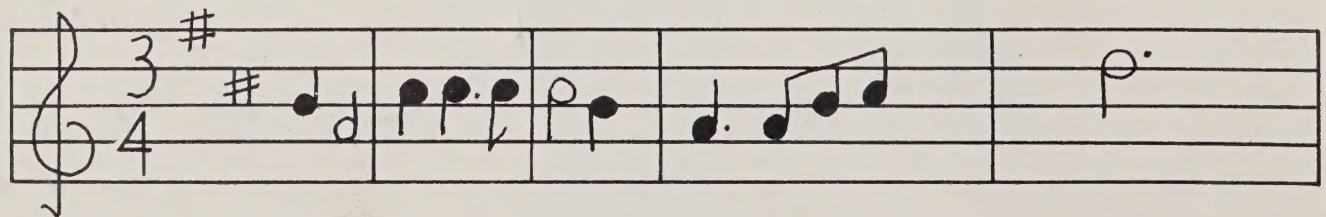

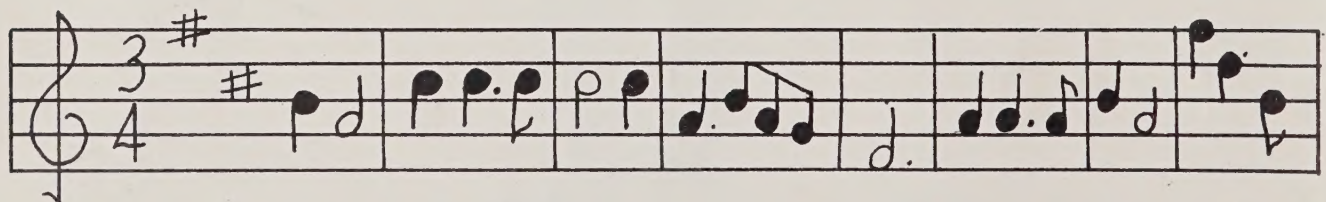

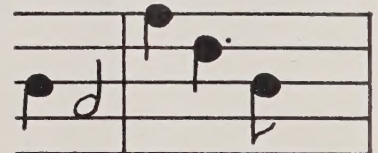

I

Central we Love thee, we'll honor thee daily
We'll fight for our colors the old gold and blue,
We'll never forsake thee although we do part,
We'll always adore thee you're part of our heart.

Chorus:
Central we love thee, Central we love thee,
Our love for thee shall never, never, die,
Central we love thee, Central we love thee
Our love for thee shall never, never die.

II

In the days of hard trials, when storms over take thee,
We'll act as a captain and bravely stand by,
We'll protect and defend thee, our dear Alma Mater,
'Til dark days are over and bright days appear.

Dedication

To Our Parents we dedicate this issue of the Blue Flame. We realize that it is because of your untiring efforts and endless encouragement we have been able to reach this point of our education. We will be forever grateful and hope that our future achievements will make you proud that you sacrificed for us in this particular endeavor.

PRINCIPAL'S MESSAGE TO THE SENIOR CLASS

May I congratulate you for your achievement in publication of the 1961 issue of the Blue Flame. This year, I am sure, will be memorable. As you turn the pages of this book, may you ever be mindful of the friends you have made who have shared love, compassion, sympathy and hope for the future.

I hope that the years you have spent at Central High School have served as a beginning of the educational and cultural experiences you expect to receive in years to come. You must remember, that in order to receive recognition for your achievements, you must raise your standards and try to match or surpass the jobs done by others. May I always be proud to say: "Here is a graduate of Central High School."
